

## School of Agriculture

### Inviting Applications for Assistant Professor of Agriculture

The NIST University, Institute Park, Berhampur, Odisha ([www.nist.edu](http://www.nist.edu)) is inviting applications for a full-time position of Assistant Professor of Agriculture.

#### Key Responsibilities:

We are seeking a passionate and qualified Assistant Professor in Agriculture to join our growing School of Agriculture. The ideal candidate will be dedicated to teaching, research, and community engagement in core areas of agriculture, while fostering innovation and industry collaboration. Key responsibilities include:

- Deliver engaging lectures, laboratory sessions, and field-based training in core agricultural subjects.
- Guide undergraduate and postgraduate students in academic projects, research work, and internships.
- Contribute to curriculum development and continuous improvement aligned with industry trends and global best practices.
- Conduct independent and collaborative research in specialized fields such as Agronomy, Horticulture, Soil Science, or related domains.
- Publish research findings in peer-reviewed journals and present at national/international conferences.
- Participate in grant writing, project proposal development, and securing research funding.
- Collaborate with agricultural industries, NGOs, and government agencies to promote sustainable farming practices.
- Organize and participate in training programs, workshops, and outreach activities for local farmers and stakeholders.

#### Qualification:

The candidate is expected to have:

- Master's degree or Ph.D. in Agriculture or a related field from a recognized university.
- Specialization in Agronomy, Horticulture, Soil Science, Agricultural Engineering, Plant Pathology, or relevant disciplines is preferred.
- Minimum 2-3 years of teaching or research experience in a reputed academic or research institution. Proven record of research publications in refereed journals.
- Experience in guiding student projects and an inclination for community-based initiatives is desirable.
- Strong communication, academic writing, and interpersonal skills.

Please submit your application/resume via email at: [career@nist.edu](mailto:career@nist.edu) with copy to [registrar@nist.edu](mailto:registrar@nist.edu) by 27<sup>th</sup> April 2025.
