

## About CSI & CSI Student Branch, NIST

Formed in 1965, the CSI has been instrumental in guiding the Indian IT industry down the right path since its formative years. Today, the CSI has 72 chapters all over India, 511 student branches, and more than 100000 members. The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. As a professional body, the CSI encourages and supports research and development projects in information and communications technologies. It also has also been partially funding the participation of Indian IT professionals at renowned international IT conferences.

CSI Student Branch, NIST Berhampur was inaugurated in 2013. Currently, it has more than 75 student members. This CSI Student branch regularly organizes various events like Expert lectures, Seminars, Conferences, Workshops, Training programs, and Industrial visits for learning, knowledge sharing and career enhancement of the students, thus, helping them to integrate into the IT industry.

## About the College

The National Institute of Science and Technology, (NIST) was established in 1996, NAAC accredited with Grade "A" with a high score of 3.22 out of 4 at Berhampur, Odisha. The Institute has the vision "To Create engineering minds capable of mastering the global challenges of tomorrows technology". Within a short span of time under the vision and leadership of Prof. Sangram Mudali, Director and Prof. Geetika Mudali, Placement Director, NIST has grown to become one of the best and ideal Engineering Institute in Eastern India. A dedicated cell for scientific research and industrial Consultancy has been set-up to increase research activities apart from educational curriculum. Apart from research oriented activities we also have two AICTE funded Emeritus Professors working at NIST. In addition, the faculty of the Institute has been awarded 3 URSI Young Scientist Awards. NIST has been ranked #65 in top 75 Engineering Colleges in India by the Outlook, July 2014 and has been ranked #28 in India by DataQuest -CMRSurvey Report 2013-2014.
