

## OFFICE OF THE REGISTRAR

### NOTIFICATION

Applications are invited for admission to the PhD program of NIST University in various subjects in Engineering, Science and Management. The candidates who have qualified in the UGC NET/GATE/any other national level test for PhD admission shall be admitted based on their performance in the viva-voce examination to be conducted by NIST University. Others have to appear in the PhD admission test of NIST University and secure a minimum cutoff mark of 50% to be eligible for the viva-voce test for their final selection.

The eligibility and other requirements for admission will be governed by the PhD Regulations-2024 of the University. Deserving candidates selected for full-time research will be provided with a fellowship of Rs. 25,000/- per month for a maximum period of four years or the date of submission of thesis whichever is earlier.

Interested candidates may visit the University website <https://admission.nist.edu> for details on eligibility, fee structure, duration, etc. The last date of online application will be 27.12.2024. Wide circulation is to be given in important newspapers, NIST University web portal, and other social media platforms to attract good students for the PhD program.
