ABOUT NIST

NIST is an autonomous institute, established in 1996 as the first NRI higher educational venture in the state of Odisha with an objective to be a Center for academic and research excellence at par with international universities. It is promoted by SM Charitable Educational Trust established in 1995 by Dr. Sukant K. Mohapatra and Mrs. Sanjeeta Mohapatra as founder / donor trustees. Located at foothills of Pallur Hills in Berhampur, spanning over sixty acres of lush green campus, NIST is a premiere research institute in the country offering undergraduate, graduate, and Ph.D. program in Engineering, Science, and Management.

OUR VISION

Focused on high quality teaching, creative innovation, entrepreneurship, and universal partnership

OUR MISSION

A research institute committed to academic excellence, fundamental research and innovation, nurturing global citizens, and collaborative engagement.

School of Management Studies

Department of Management from the day of its inception in 2006 has prepared a roadmap with holistic approach to cater the basic need of the society. The department intends to cater a progressive mindset for development of the innovative and optimistic view towards society especially the underprivileged class. It eventually elevates the entrepreneurial, managerial and leadership endow within the learner. It basically intends to leverage the Glo-local integration beautifying the local novelty and talent. The primary aim of this institution is to impart knowledge using scientific approaches in management education. It adds values in organizing a commercial platform forecasting the innovative gaps in various areas of management. Technology, Management and Science move hand in hand! NIST premises has its own School of Management Studies offering management (MBA) courses with Marketing, HR, Finance and Operation specializations. It also elevates the scope for B.Com, ITM, and DSM.
