THIS IS NIST UNIVERSITY

NIST University, established in 1996 as the first NRI higher educational venture in the state of Odisha. NIST is a premier research institute in the country today, nestled in the green hills of Pallur, spread over 65 acres of lush green campus with world class academic infrastructure, CRES and GIC, Halls of residence, sport complex and other facilities. It is the dream and vision of the founding members to build NIST as a center of academics and research excellence at par with international research universities in their home state of Odisha. NIST has produced over 18000 alumni who contribute globally in the areas of technology, leadership, entrepreneurship, social and public services. NIST has been ranked highly in the country by various ranking organizations like NIRF, ARIIA, and Times etc including Govt. of India.

OUR VISION

Focused on high quality teaching, creative innovation, entrepreneurship, and universal partnership

OUR MISSION

A research institute committed to academic excellence, fundamental research and innovation, nurturing global citizens, and collaborative engagement

Dept. of Civil Engineering

Established in 2013, the Department of Civil Engineering is committed to delivering high-quality education and fostering innovation in the field. With a focused student strength of 30, the department offers a personalized learning environment that nurtures academic and professional growth.

Faculty members from renowned institutions such as IITs, NITs, and top central and state universities bring a strong mix of academic knowledge, industry experience, and research expertise. The curriculum covers key areas like structural, geotechnical, transportation, environmental, and water resources engineering, with an emphasis on practical applications and project-based learning.

Why Join Dept. of Civil Engg.

- ✓ **Expert Faculty** - Faculty Members from IITs, NITs, and top universities.
- ✓ **Personalized Mentorship** - Small batch size ensures individual focus.
- ✓ **Industry-Aligned Curriculum** - Emphasis on core civil domains & hands-on training.
- ✓ **Research & Innovation** - Active projects, workshops, and seminars.
- ✓ **Career-Ready** - Strong industry tieups & skill-based training.
- ✓ **Sustainable Focus** - Programs centered on green infrastructure.
- ✓ **State-of-the-art Labs** - Structural, Geotech, Surveying, Transportation & more

Dr. Barada Prasad Sethy
(HoD, Dept. of CE)

Dr. Barada Prasad Sethy is a renowned academician and researcher with extensive expertise in Geotechnical Engineering. Holding a PhD from NIT Rourkela and boasting over six years of experience, he has made remarkable contributions to teaching, research, and industry collaboration. As the Head of the Department, Dr. Sethy has played a pivotal role in enhancing academic programs and fostering a research-driven culture. His expertise includes shallow foundations, artificial neural networks (ANN), and finite element analysis (FEA), with numerous research articles published in prestigious SCI and Scopus-indexed journals. Driven by a vision to transform the department into a center of excellence for sustainable infrastructure development, he is dedicated to promoting interdisciplinary research and nurturing future-ready engineers.

Program offered:

BTech
Civil Engineering

MTech
Construction Tech. & Management

Academic & Research Laboratories

Structural Engineering Lab
Geotechnical Engineering Lab
Transportation Engineering Lab
Surveying Lab
Basics of civil Engineering Lab
Environmental Engineering Lab

Licensed Software

Revit

AutoCAD

Civil 3D

STUDENT PLACEMENTS

Ankit Mahato
BTech, CE (2021-25)
Utkarsh Group

Ronit Kumar Sahu
BTech, CE (2021-25)
